## **Raleigh custom home builder Stanton Homes works with Timberlake Cabinetry to build better home experiences for local Veteran and Military families**

**Raleigh, NC – September 21, 2008 – “Stanton Homes® for Heroes”** adds another partnership to its extended network of companies working together to help veteran and military families save money, in a better building experience. Timberlake Cabinetry now offers additional discounts on new homes, over the top of the value offered by Stanton Homes and its affiliates.

“We’re pleased to partner with Timberlake Cabinetry on these special incentives,” said Stan Williams, CEO of Stanton Homes. “The additional discount Timberlake Cabinetry is adding to our “Stanton Homes® for Heroes” program can help veteran and military homebuyers save even more money, on top of the substantial discount Stanton Homes and other partners extend to these families in our local communities.”

The “Stanton Homes® for Heroes” program offers an exceptional three percent discount to all Veteran or military homebuyers on the purchase of a new Stanton Homes custom-built home of their choice, in any location throughout the Triangle area.

“Timberlake has made a commitment to partner with “**Stanton Homes® for Heroes**” as a way of thanking our veteran and military families for the services they have provided to our country,” said Don Repshas, vice president of marketing, Timberlake Cabinetry. “We hope that by offering these incentives, we are able to fulfill the American dream of home ownership, and to provide a beautiful, quality kitchen for such deserving citizens.”

The “**Stanton Homes® for Heroes**” discount program is available for all Veterans, retired, and active duty military, including all branches of the Armed Forces, Reserves, and National Guard, who have served honorably for at least one year. Any Stanton Home may be purchased through the program, whether complete, under construction, or custom designed on a Stanton Homes lot or the buyer’s. The additional discounts through Timberlake Cabinetry are available on any presale or custom designed home built by Stanton Homes for qualified buyers

“These discounts really add up,” said Williams. “The three percent discount on the price of a new home amounts to \$7500 off a \$250,000 custom home. With a 100 percent VA Loan, this amount could cover closing costs, allowing a Veteran or military homebuyer to get into a home with no cash out-of-pocket. Add on the discount from Timberlake Cabinetry, on top of the incentives offered by our other Stanton Homes® for Heroes partners, and you’re saving a considerable sum of money on an incredible home – that’s already built with outstanding features, workmanship and value you won’t find anywhere else – you’ve just got to see it.”

\*Additional Stanton Homes® for Heroes discounts include a \$2000 closing cost discount through one of the builder's preferred lenders, plus partner discounts through Sears Commercial, Lee Brick & Tile Inc, Healthy Home Insulation, and a variety of local real estate incentives.
